Arizzi Business Consulting  
3899 Haines Street  
San Diego, CA, 92109

To Whom It May Concern:

Arizzi Business Consulting was called in to evaluate our business and help us improve the way we do our business. We had your staff in to increase overall profitability and performance and hold people accountable.

The work completed included monthly sales analysis, progressive discipline, employees' survey, and other procedures.

We are very satisfied with the work done by the Arizzi Business Consulting staff. We would like to have Luca Arizzi return in a few months to monitor our improvements and work on new projects.

P.S Luca you've opened my eyes to a side of my business that was lacking "the Profit"  
Thank you very much for all your help making our business more profitable.  
Sincerely

David Lee
