Our Mission

To help businesses to increase their profits by optimizing their operational costs and improving efficiency.

Arizzi Business Consulting, a San Diego based business Analysis Company, was founded by Luca Arizzi in 2005. The team includes analysts with experience in business operations, finance, training and sales.

Our Guiding Principles

At Luca Arizzi Business Consulting, we believe in customer satisfaction, services, business ethics, personal approach and professionalism. The Founder

As president of Arizzi Business Consulting, Luca Arizzi has over 10 years of experience in small and medium-sized business consulting. Prior to establishing Arizzi Business Consulting in 2007, Luca had already excelled as a business analyst for two major business-consulting firms in Italy and the U.S. In 1999, as the lead business process analyst Luca helped implement SAP software applications to improve the supply chain, manufacturing and distribution of Prada Apparel in Milan. In 2005, Luca started his U.S. work experience in Boston Massachusetts, working as project director for George S. May International business-consulting firm.

Luca earned a BS degree in Business Economics from The University of Cattolica, Milan and a Master's degree in Management from Cambridge University, Boston.

Mr. Arizzi now resides in San Diego, California where he enjoys tennis, martial arts and reading.
